# UNIFIED COMMUNICATIONS

## VARTA WIN200 – Target Audience

- Hotels
- Hospitals
- Corporates
- Call Centers

## **UNIFIED COMMUNICATIONS**

---

### **VARTA WIN200 – Applications and Benefits**

#### **Call Management Made Easy**

- Comprehensive call handling capabilities with Transfer, Conference, Hold, Forward and DND
- One Office – One Number, Seamless connectivity to office employees even on the move
- Flexibility with integration of VARTA WIN200 with your IP Deskphone or Mobile App and avail benefits of same extension number
- All contacts in one location with Corporate Global Directory Integration for easy access

#### **Increase Staff Productivity with Real-Time UC Features**

- One touch access to extension numbers with 1000 Direct Station Selection Keys
- Monitor Real-Time status of employees with 600 Busy Lamp Field Keys
- Presence Sharing and Instant Messaging for live status updates and quick chats
- Drag and Drop Conference for meetings offers convenience to the users and saves time
- Contact Grouping for easy search and quick connectivity

## **UNIFIED COMMUNICATIONS**

---

### **VARTA WIN200 – Applications and Benefits**

#### **Invest in Your Collaboration Solution for Lower TCO and Higher ROI**

- Reduce mobile charges through desktop computer extension while outside state or country
- Use Multi-Party Audio Conferencing and Drag and Drop Transfer for enhanced productivity leading to higher ROI
- Protect your investment by utilizing existing desktop computer as an office extension

#### **Intuitive Interface and Personalization Leads to Customer Convenience**

- Search Dial Pad allows to type contact name or extension number directly making it easy to use and manage
- Intuitive icons and Graphical Designs enable users to identify and control features instantly making it easy to use
- Personalize your interface by marking favorites contacts and contact grouping for quick connectivity
- Get Call Logs and incoming Call Pop-Up notifications for customer convenience

## UNIFIED COMMUNICATIONS

### VARTA WIN200 – Sales Pitch

- Upgrade your existing IP-PBX with VARTA WIN200 for Unified Communications
