Swiss Arabian Perfumes Group Opts Matrix Solutions for Centralized Attendance Management

Case Study

COMPANY PROFILE:

Swiss Arabian is the pioneer of Arabian perfumes that spans over 40 years. Over the years, the Swiss Arabian Perfumes Group has grown from strength to strength. Today, it stands tall as the first perfume manufacturer in the UAE.

They operate five modern manufacturing facilities spread across an area of 165,000 sq. ft., producing more than 35 million perfumes annually and export the same to over 80 countries.

CHALLENGES:

Swiss Arabian have their prominent presence across several cities in the UAE. Considering this, centralized data management of the employee attendance details, from all the units was critical. Besides, overtime calculation and managing rollover shifts were tedious tasks as well. Furthermore, verifying the attendance data with detailed reports, bifurcated by locations was a part of their key requirements.
